

2026 Highlighted Live Webinars

Navigate your child's path to college... and beyond

Get expert guidance from *Bright Horizons College Coach*®.

We'll provide support throughout your family's education journey, help you maximize your child's college admissions success, minimize college costs, and plan for a future career. Register for your free, employer-sponsored benefit today and get access to:

- Impartial, one-on-one guidance from our team of former college admissions, financial aid, and career counselors
- Live events and on-demand webinars
- A customized college list and application essay review
- Counseling regarding both non-college pathways and career preparation in college
- Assistance from infancy through young adulthood
