

**New benefit!**

# Finding family care just got easier

Now, you've got a Family Concierge to help you plan care for your loved ones. Save time, stress less, and unlock the full value of your **Bright Horizons®** benefits.

A Care Expert will partner with you to provide trusted, 1:1 advice and create a personalized education and care plan, tailored to your entire family's unique needs.

## Here's what our benefits experts can offer:

- Dedicated support, so you won't have to manage family logistics alone
- A diverse background in child care, coaching, social work, teaching, and senior care
- Extensive knowledge of your suite of Bright Horizons benefits and how to use them
- Ongoing, proactive coordination and a plan that evolves as your needs change
- Support and resources including Employee Resource Groups, webinars, and on-site events

*"My Family Concierge was incredibly thoughtful, thorough, solution-oriented, and quite frankly incredibly kind in her dealing with what is an incredibly stressful time. Aces all around, she has made my experience thus far as painless as this can be." – Family Concierge user*
