Financial Health powered by Rain

Rain isn't just about getting paid early—it's about building a stronger financial future.

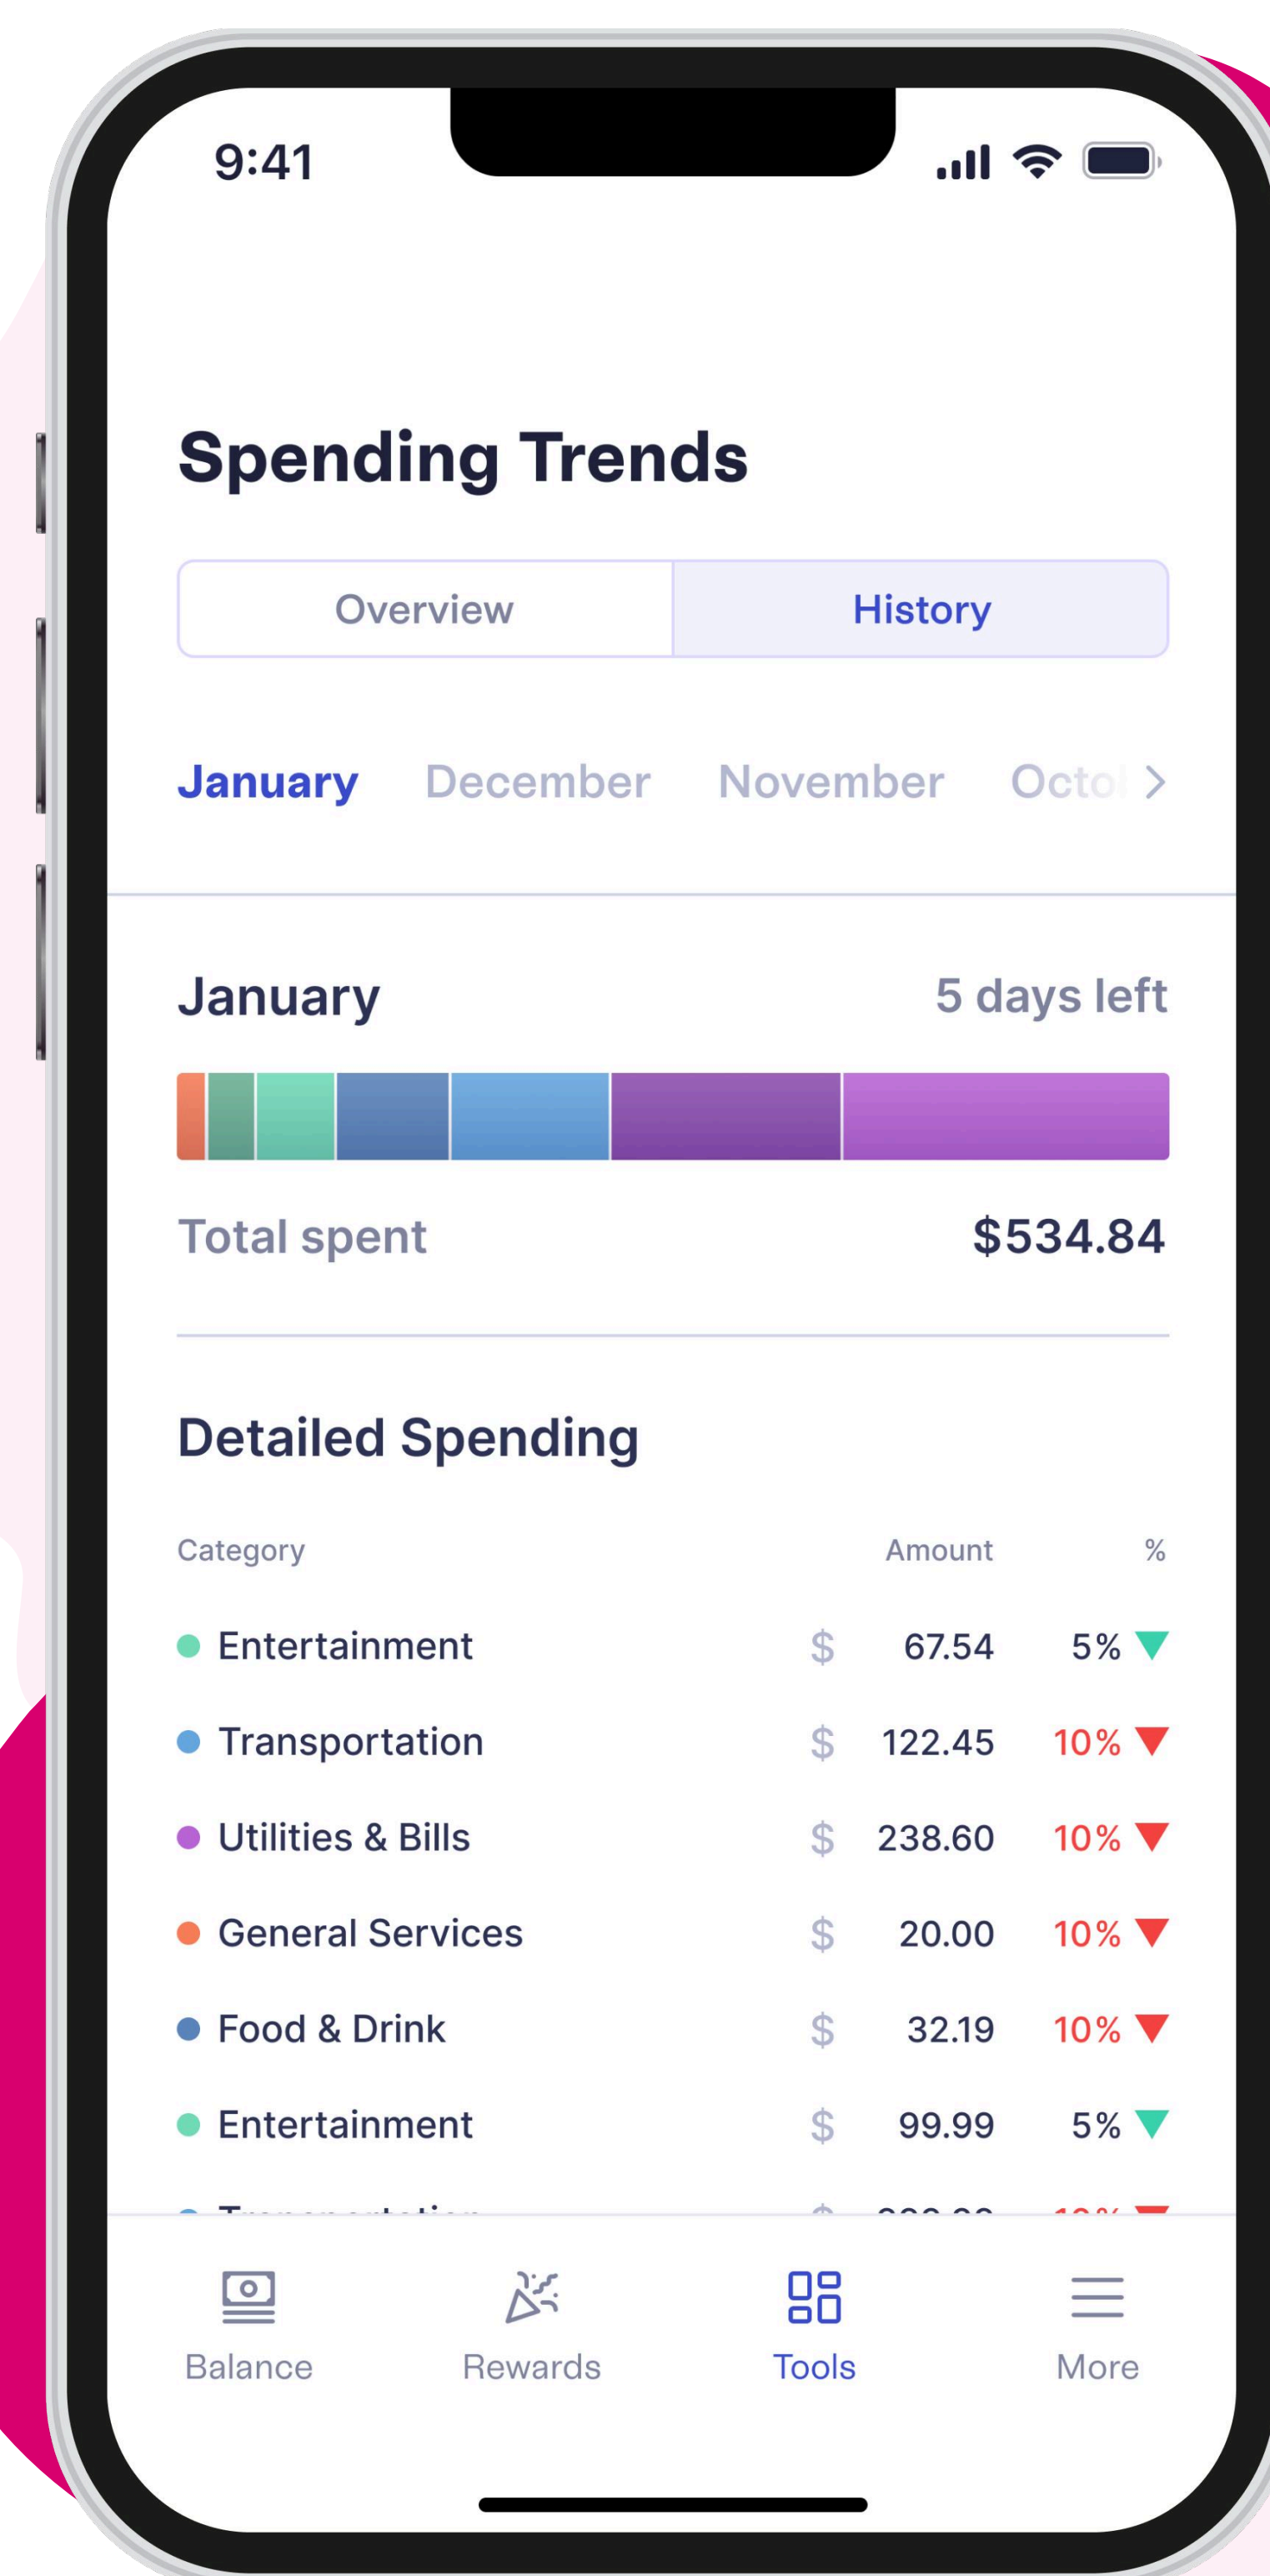

Head to the Tools tab to discover powerful ways to understand and improve your money habits:

→ Track spending trends and see how your day-to-day choices add up.

→ File your taxes for free right from the app—it's secure, fast, and totally straightforward.

→ Learn and grow through Rain's Knowledge Base, filled with articles and insights to help you budget wisely and make smarter financial decisions.

Because financial freedom starts with knowledge—and Rain puts it right at your fingertips.

Your Paycheck's Power—Unlocked

Don't have a Rain account? Getting started is easy!

Scan the QR code

Scan the QR code or click [here](#) to easily find the Rain app.

Download the Rain app

Download the Rain app to your mobile device.

Create a Rain account

Create a Rain account with the email your employer has on file.
