## Where can I view my vision benefit information?

You can view your vision benefit information from your VSP member account. Here's how:

- Go to **vsp.com/login** and log in to your account or create an account if you need to.
- Once logged in, click "View Your Benefits" in the Your Benefits tile.
- Use the buttons on the next page to view your benefit information, find out how to use your benefits, and view your claim history.

---

## Where can I find my member ID card and ID number?

While no ID card is needed when you visit a VSP network provider, you can print a card for your records from your VSP member account.

When you make an eye appointment, your doctor may ask for your VSP member ID or member number. This may be the last four digits of your (the primary subscriber's) social security number or a unique ID given by your employer (if you are enrolled through your workplace).

---

## How do I view my Vision Benefit Statement (VBS)?

You can view your Vision Benefit Statement from your member account. Once logged in, visit the Your Benefit & Claim History section.

If your VBS doesn't open when you click on it, disable your pop-up blocker, as these can sometimes prevent the document from opening.

# Frequently Asked Questions

---

## What happens if I see an out-of-network provider?

Your VSP benefits will always go further when you see an in-network eye doctor and you don't need to file for reimbursement.

## How do I submit an out-of-network reimbursement claim?

When you go out-of-network, you're missing out on savings and possibly paying more out-of-pocket. However, if you'd like to see an out-of-network provider, please call Member Services at **800.877.7195** (TTY: 711) to see if you have out-of-network benefits. Once Member Services confirms if you have out-of-network coverage or not, they will be able to walk you through the process for submitting an out-of-network claim.

You can also submit an out-of-network claim online! Just follow these steps:

- Log in to your **vsp.com** account
- Click on "View Your Benefits"
- Click "Submit a Claim" under "Oops! Did You Go Out of Network?"
- Click "Start New Claim"

## How can I view my claim history?

You can view your claim history from your VSP member account. Once logged in, go to the "View Your Benefits" section and click "View Your Benefits." On the next page, select "Benefit History."

The next page will display your claim history by year and your Vision Benefit Statements (VBS).

*Tip: Disable your pop-up blocker if you have trouble opening your VBS.*
